Senior Director (NTA)

Note:

- NTA Scores are normalized scores across multi-session papers and are based on the relative performance of all those who appeared for the examination in one session. The marks obtained are transformed into a scale ranging from 100 to 0 for each session of examinees.
- The NTA Score indicates the percentage of candidates who have scored EQUAL TO OR BELOW (same or lower raw scores) that particular candidate in that session.
- The Percentile scores of a Candidate have been calculated as follows:  

$$100 \times \frac{\text{Number of candidates who appeared in the 'Session' with a raw score EQUAL TO OR LESS than the candidate}}{\text{The total number of candidates who appeared in the 'Session'}}$$
- The NTA Score of the Total is NOT an aggregate or average of the NTA Score of individual subjects.
- NTA scores are not the same as the percentage of marks obtained.
- Candidate's particulars including Category and Person with Disability (PwD) have been indicated as mentioned by the candidate in the online Application Form.
- This electronically generated Scorecard is the official scorecard published by the NTA.
- The National Testing Agency has taken due care while uploading the Score Card. However, in case of any inadvertent error, the NTA reserves the right to rectify the same at a later stage.
